

Transportation Specialist - Antwerp

For our client, a driven innovator and international player in the automotive/chemical sector, located in the south of Antwerp, we are looking for a driven strategic Transportation Specialist.

Why is this job something for you?

- You will be welcomed in an enthusiastic team where you can count on solid training and support, but also sufficient scope to fully develop and apply your commercial, organizational and technical skills.
- In addition you can be assured of a motivational remuneration package supplemented with various extra-legal benefits including a car.

What are you going to do ?

- You select transportation providers, on ad-hoc basis as well as via periodical RFQ's.
- You negotiate with Transportation providers on (long term) contracts
- You analyze current cooperation and negotiate future cooperation with our transportation providers.
- It is your responsibility to investigate alternative routes for our existing transportation lanes.
- You will contribute to the writing of the transportation procedures and instructions
- With your critical attitude, you analyze the current transportation flows and processes, detect possible bottlenecks, and make proposals to optimize them
- You monitor service level of our providers and take the necessary corrective actions.
- You will be responsible for managing the transportation service providers (based on the SLA's) to work as profitably as possible but at the best service
- You assist Sales & Sales Support teams with problem-solving

Who are we looking for ?

- You have a Bachelor degree preferably in Transportation Management
- You preferably have a first experience in a Supply Chain position
- You have a strong commercial awareness
- You are an ownership taker, flexible and collaborative with a customer oriented mindset
- You can pro-actively work things out independently.
- Strong knowledge of MS Excel – Knowledge of other MS tools is definitely an asset.
- Fluent in Dutch and English, written and spoken. Another language is a plus.
